Newsletter: Summer Term 2021: Week 2

Practising for sports day, building trenches, swimming and creating papier mache bowls are just a few of the practical lessons that pupils have been involved with this week, taking full advantage of our outdoor areas, the Trustlands, the Art Tent and finally being able to go back to the Faversham Pools and Faversham Cricket Club. It certainly seems as if life is returning to normal in the sunshine.

As always, a summary of the week in photos for you to enjoy:

## THIS WEEK'S TOP STORIES

### Nursery

#### Fun in the sun!

We loved getting the water trays out this week! There were times when it was a bit chilly but that didn't stop us from spending happy hours pouring, splashing, floating, sinking and, as we emptied the tray, jumping in the puddles! Roll on Summer when it won't matter how wet we all get!

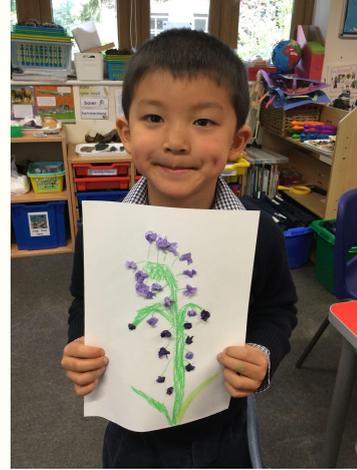

(Don't forget to look at your child's Tapestry each week for more lovely photos!)

### Reception

Blowing bubbles on Friday afternoon!

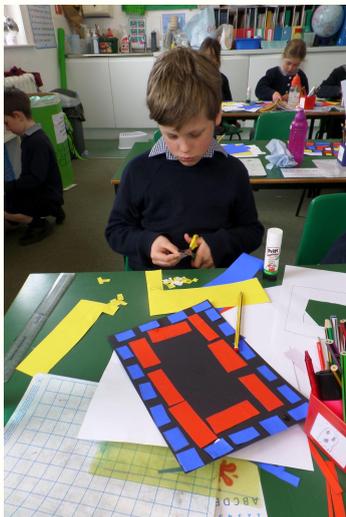

## Year 1

### Bluebells

Year 1 have been drawing, painting and collaging bluebells

## Year 2

### Art inspired by Piet Mondrian

In Art this week year 2 made paper mache bowls. We are leaving them to dry and we will paint next week in bright, bold patterns. Next we looked at the artist Piet Mondrian and some of his famous works. We noticed how he uses primary colours and then we created our own collages, inspired by Mondrian.

## Year 3

### Magnets

Year 3 have been continuing to learn about magnets. They conducted an investigation to find out which magnets were the strongest.

## Year 4

### Able and Interested

Year 4 have been busy creating boats that will float - from cardboard only!

# Year 5

Cricket at the Nets

## Outdoor Art Club

### Nature bracelets

This week in Outdoor art club, children went on a nature journey in the playground and collected items to make a nature bracelet

## Fixtures
