

LORENDEN

Clothing for Forest School

Please can you ensure that your child is suitably clad with warm clothing for their Forest School sessions. Please also remember to send in a warm hat and gloves.

Newsletter

Friday 28th February 2020

I hope you have enjoyed seeing some of the visual changes to the main house on return from half term. The oak framed display boards have made wonderful additions to corridors and some new canvases of pupils have

appeared by the front door way and by the Nursery door - much to the delight of pupils who spotted themselves smiling back!

A new storage cupboard for Year 6 and 3 PE bags under the stairs has the approval of pupils too with one boy deciding it was a great place for hide and seek!

Assemblies this week

Congratulations to Lilly-May (Year 2) for her Seal 1 (personal survival in water) award and to Jack (Year 2) for his skiing achievements which we celebrated in assembly this morning.

Well done to all pupils who took part in the ultimate lolly-stick competition over half term - we had ships, houses, animals, a positive thought display, a pencil pot and a goalkeeper as part of the entries and well done to Rufus and Daniel (Year 4) for their winning entries!

Story-telling chair

You may have seen, on our Facebook page, the beautiful story-telling chair that has been carved outside.

Next [week's challenge](#) is based around the chair in the hope we can create stories for everyone to enjoy outside.

Events for next week

Next Monday is the Monday Mile again and parents are very welcome to join us once again!

Next Thursday is World Book Day and we look forward to greeting pupils dressed up as characters from their favourite book.

Next Friday we have an assembly by Catching Lives where we will be presenting a cheque to them from the monies raised by the pyjama day and Year 6 sponsored walk.

Year 3 visit to Pizza Express

On Tuesday the 25th of February we went to Pizza Express at Whitstable. We went there to make healthy pizzas.

We were all on our own; no-one else was in the restaurant. We went to the toilet and washed our hands before we made our pizza. On our table where we were sitting, we had some flour in front of us and the person that was teaching us was called Victor.

Firstly we got some dough and we had to turn our dough over three times, until it was covered in flour. It was a bit difficult at first but it is not as hard as you think it was also very fun and the flour does not go everywhere.

Next we had to pinch the sides of the dough and leave a lump in the middle. You have to pinch it quite hard but not too hard because you don't want a pizza with a hole in it, do you? But at least none of us got holes in ours so that was good. I was not pressing it that hard but not enough so I had to do it harder.

After that the next step is the same thing but there is a tiny difference and the difference is that when you pinch on the sides when you are at the opposite side of the pizza you have to do it through the middle, about a couple times and then you can stop and start the next step.

Then you have to put it in a pizza pan when we had done that we all put tomato sauce on our squashed dough, except Ethan who put garlic sauce on his because he does not like the tomato sauce that you put on pizza. We spread it around a lot to make it perfect but you don't have to. Finally we put some cubes of mozzarella on it so that when it is in the oven it will be four times the size but melted. So that's why you have to spread it around a lot. You don't need to have that many cubes because as I said it will be four times bigger, so we put only about twenty so that or less. Then Victor and his boss put it in the oven for about five minutes until it was ready.

My favourite thing of the day was probably eating the pizza at school at the end. I said, "It is really, really yummy!"

Year 1 have enjoyed writing Space stories

In the last week before half-term, Year 1 had a short topic: Space. At the end of this, everyone created their own sci-fi story, which we would like to share with you here. As we had just read a story about a real astronaut, who had a pug as a child, several of the stories feature dogs, especially pugs! For your convenience, spelling and punctuation etc. have been edited!

PERCY'S ADVENTURE *by Ada*

One day, Percy went to Australia. He went in a car. Before he got to Australia, he saw an alien. The alien had ten legs, one eye, eleven arms and short hair. The alien was rainbow coloured. It came from planet Borden.

Percy saw the alien and hid behind the car. Then the alien said, "I am nice! Do you want to go to my house?"

The alien and Percy went in the spaceship and had some tea. They lived happily ever after. The End.

SAUSAGE DOG *by Mason*

The house was quiet, but a sausage dog saw a spaceship. An alien saw our sun. He was hot and he was called Selwyn. He was blue and he was fierce! He had a helmet and liked to eat four tomatoes with cream.

The sausage dog said, "Get out of my house!" and he bit the alien.

PUG SAVES THE UNIVERSE *by Eleni*

Pug and I went to the moon in a space shuttle. On the way, there was an asteroid. The galaxy was near.

We saw an alien called Matilda. She was pink and red. I ate green pancakes with the alien and then she went home to her family. I was upset.

THE AMAZING DAY AT THE MOON *by Matilda*

First, astronauts called Lulu, Nuala, Xavier and Zoazoa landed on the moon (which goes round our planet 13 times a year). An alien landed on the moon too. The alien had a rainbow body, head, eye, legs and arms. The End.

A DAY AT THE MOON *by Florence*

One day I went to the moon. It was warm but very grey. Then things got complicated!

I met an alien called Violet. She was purple and pretty and had bows in her hair. She had tea with me and followed me home, and stayed with me forever. The End.

THE ALIEN *by Violet*

My name is Jessie and I saw a spaceship. A pink alien came out of the spaceship. It looked strange. It said hello. I ate food with it. It was very nice to me and it was called Florence.

I kept it in my clothes drawer because it didn't like its family, and we lived happily ever after.

PUG ATTACK *by Selwyn*

One night, armies of pugs came to attack. The Earth people came to fight back. But aliens came to attack Earth as well as pugs! The people rubbed out the aliens and the pugs with rubbers!

One alien was not rubbed out because he was the boss of the aliens. He wanted Earth for his second home. He wanted Earth to have more land. The boss alien didn't know that there was an army of people behind him and they killed him!

BOBB'S ADVENTURE *by Bella*

Once there was a sausage dog called Bobb, who was an astronaut. He met my cat called Kitty on planet Earth. They were fighting each other. Bobb was very bright purple and he kills strangers. He hates strangers!

Then an alien came. It had 5,100 legs and 50 hands. Bobb went in his spaceship and the alien met Bobb for tea. They lived happily ever after.

CHAPTER 1: PUG'S ADVENTURE *by Maeve*

One night a pug went to space. On his way he saw a UFO. Maybe, he thought, it was an alien or another astronaut?

Then he thought, I'll fly to Mars, so he did. Hang on a minute! First I'll need to send my robot to check the temperature.

Hold on ... what is that? "Is that an asteroid?" he said, as he dodged the object.

After a while, he got a message from his robot saying that Mars was the right temperature, so off he went to Mars. He met an alien!

CHAPTER 2: PLANET URANUS

After a while, Pug got bored, so he decided to go to planet Uranus and set off.

But on his way he found another universe that was made out of all his favourite things. He realised it was just a dream!

Maybe, you'll go to space one day and be an astronaut, like Pug? Meanwhile Pug gave birth and the puppies went off to space in their dreams.

CHAPTER 1: PUG *by Richard*

Pugs protect the world and they fight alien battles. The alien soldiers are called Sausage Dogs. They attacked so we blew up the alien's world. They lived on the sun instead, and they got burnt. The Pugs blew up asteroids and rubbed the aliens out. The alien planet got blown up again! They went somewhere else.

CHAPTER 2: THE ALIENS

The aliens returned. The Pugs attacked them and they retreated. The aliens got around them. The aliens drew Nerf guns, the Pugs drew real guns, and the aliens got confused. They just attacked. All the dogs wanted to join the War until the aliens were defeated. But the aliens had our planet!

Despite the wintry weather, there are plenty of signs of Spring to enjoy. Nursery are making the most of this ray of light by bringing Spring indoors! This week, we planted bean seeds and are hoping for many beanstalks. We read 'A Seed in Need' which tells us all about the life cycle of a plant and the different parts including the roots. We have mini daffodils in class, too and one is in a clear pot so we can see every bit of the plant - roots, bulb, stem, leaves and flower. Our topic is certainly making our Nursery look very cheerful!

**PUBLIC
NOTICE**

KENT COUNTY COUNCIL
Brogdale Road, Ospringe
(PROHIBITION OF DRIVING)
THE ROAD TRAFFIC REGULATION ACT 1984
TEMPORARY ORDER 2020

To allow works to be carried out to install a new pressure reduction valve, Kent County Council has made an Order to temporarily prohibit through traffic on part of Brogdale Road, Ospringe.

A closure is planned from 11th March 2020, with estimated completion by 13th March 2020, or where stated on a valid Permit (EB00620145844 - South East Water). The scheduled dates may vary for these works with appropriate signage on site and the works will be displayed on [one.network](#)

Brogdale Road will be closed in the general vicinity of Whitehill Cottage, to the extent indicated by signs and barriers on site.

The closure is required for the safety of the public and workforce while works to install a new pressure reduction valve are undertaken by South East Water.

The alternative route for any through traffic is via Whitehill, Eastling Road, The Street, Otterden Road, Bunce Court Road, Warren Street, Hubbards Hill, A20 Ashford Road, Maidstone Road, Charing Hill, Pilgrims Way, A251 Faversham Road, A2 Canterbury Road, London Road, Brogdale Road and vice versa.

Access for emergency service vehicles and pedestrians will be maintained at all times during the closure.

Due to the nature of these works, it will not be possible to reopen the road outside of working hours.

For information regarding this closure please contact South East Water on 0333 000 0001, who will be able to assist with the scope of these works.

*Simon Jones, Director of Highways, Transportation and Waste
Kent County Council, County Hall, Maidstone, ME14 1XQ*

Year 4 French pen pals

Another happy class! Year 4 received a parcel From France with information about their pen pals and our nature project! They cannot wait to meet their French friends in March!

MARCH

Monday 2nd

8.40am Monday Mile
